

# User Registration Manual

Riki – CSC440 – Team Husk – Justin Selby

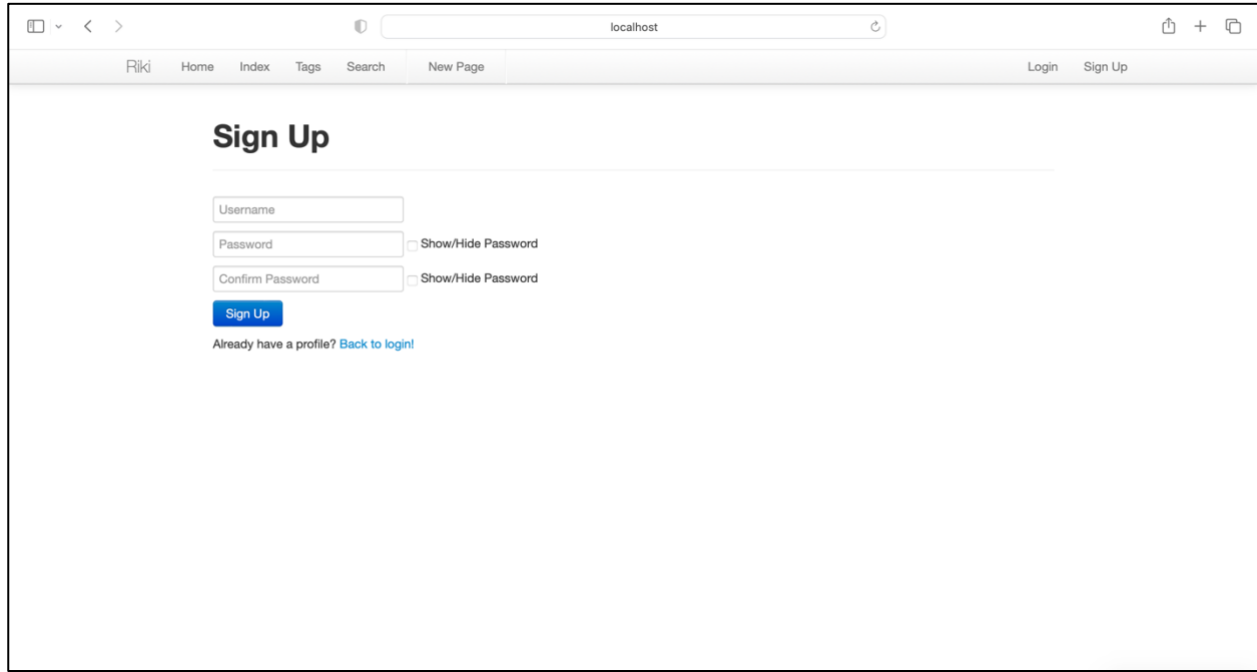

This manual will an overview of the step-by-step process used to sign up as a new user for our application.

1. Navigate to the Riki application homepage. This screen will provide the user the option to login as an existing user or will direct them to the signup screen if they are a new user.

- a. The option to sign up as a new user is presented by the “Don’t have a profile? [Create one here!](#)” button.

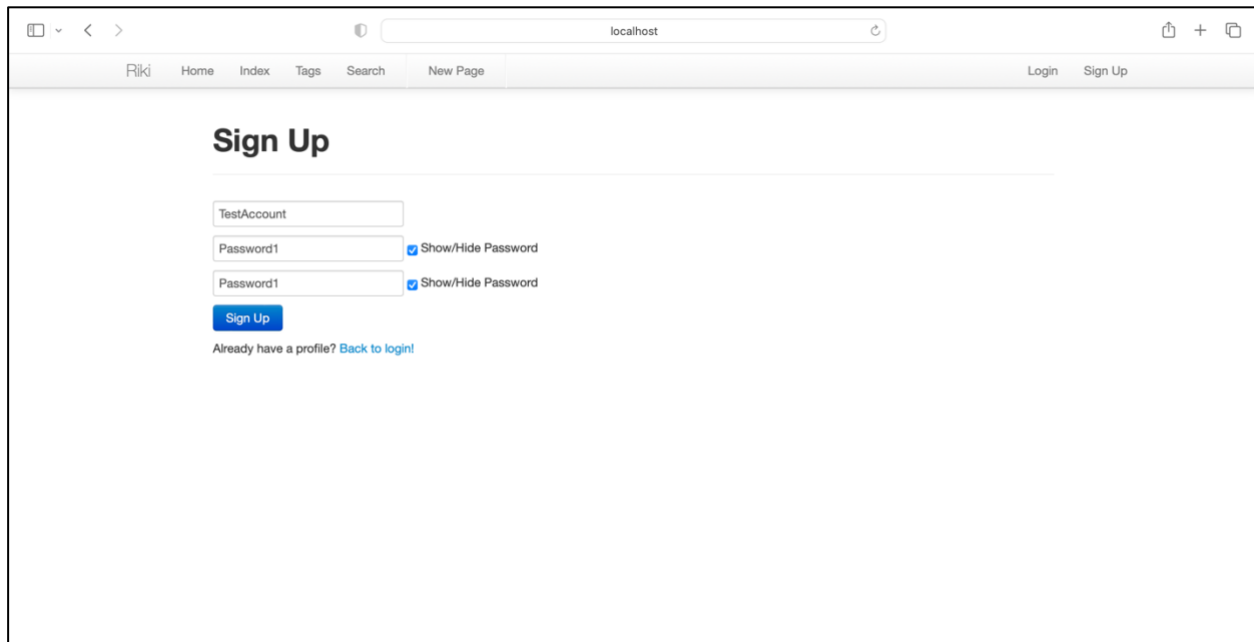

2. Click on the “[Create one here!](#)” link to be directed to the Sign-Up screen. On this page, the user is prompted to fill out three fields: username, password, and confirm password.

The screenshot shows a web browser window with the address bar set to 'localhost'. The page has a navigation bar with links: Riki, Home, Index, Tags, Search, New Page, Login, and Sign Up. The main content area is titled 'Sign Up' and contains a form with three input fields: 'Username', 'Password', and 'Confirm Password'. Each password field has a 'Show/Hide Password' toggle. Below the fields is a blue 'Sign Up' button. At the bottom of the form, there is a link: 'Already have a profile? [Back to login!](#)'.

- a. All fields are required to sign up. If a field is left blank, the user will receive a rejection pop up.
3. Fill out the fields with your user information and click the “Sign Up” button once complete.
    - a. If all information is sufficient and no errors are given, the user will be presented a “Sign up Successful” message and now have access to the Riki application.

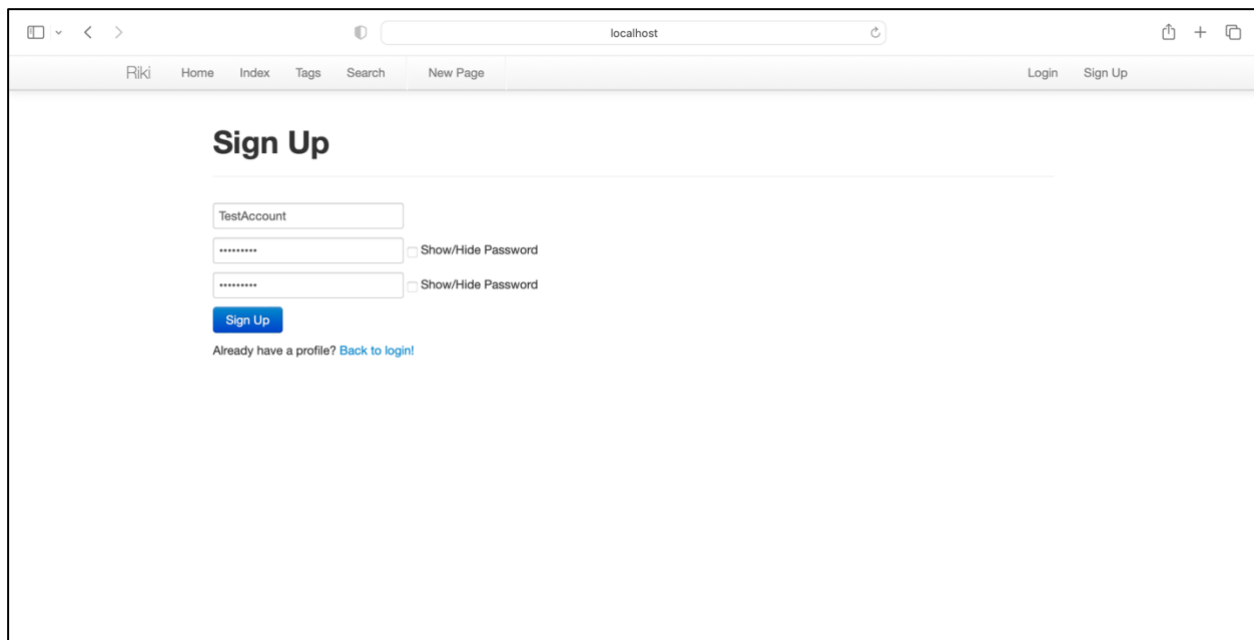

- b. Example of all fields with valid input (Password and Confirm Password fields visible)

A screenshot of a web browser window displaying a 'Sign Up' form. The browser's address bar shows 'localhost'. The page has a navigation bar with links: Riki, Home, Index, Tags, Search, New Page, Login, and Sign Up. The 'Sign Up' form is centered and contains the following elements:

- A text input field with the placeholder text 'TestAccount'.
- A password input field with the placeholder text 'Password1'. To its right is a checkbox labeled 'Show/Hide Password' which is checked.
- A second password input field with the placeholder text 'Password1'. To its right is a checkbox labeled 'Show/Hide Password' which is checked.
- A blue 'Sign Up' button.
- A link below the button that reads 'Already have a profile? [Back to login!](#)'.

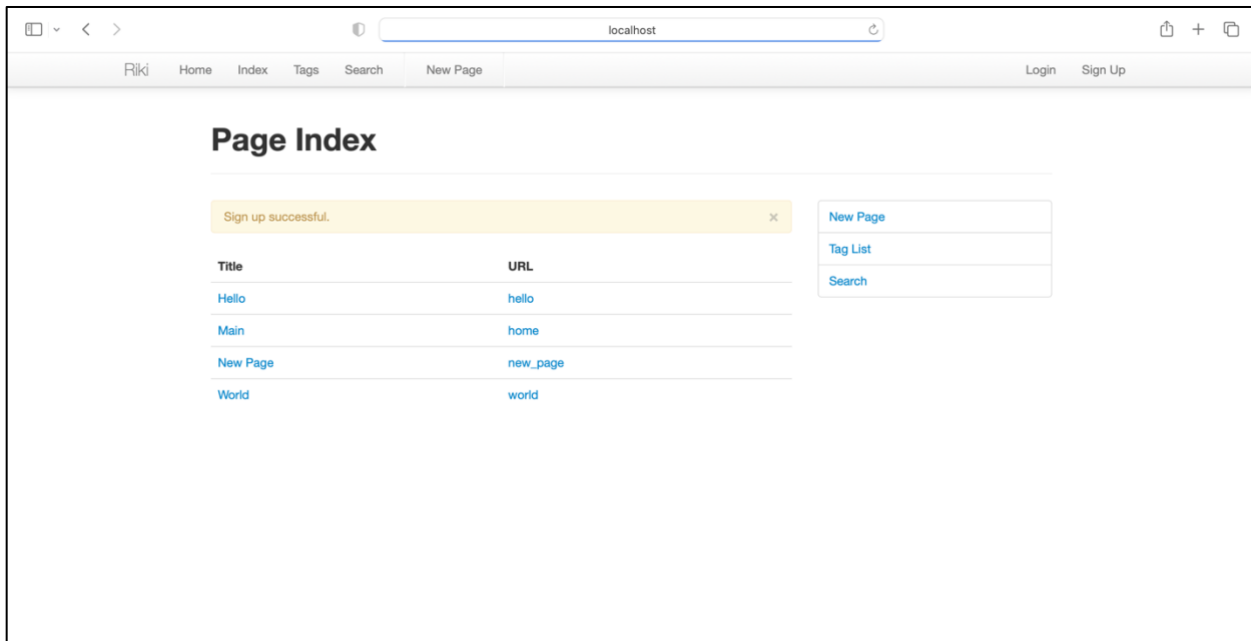

- c. Example of all fields with valid input (Password and Confirm Password fields not visible)

A screenshot of a web browser window displaying the same 'Sign Up' form as in the previous image. The browser's address bar shows 'localhost'. The page has a navigation bar with links: Riki, Home, Index, Tags, Search, New Page, Login, and Sign Up. The 'Sign Up' form is centered and contains the following elements:

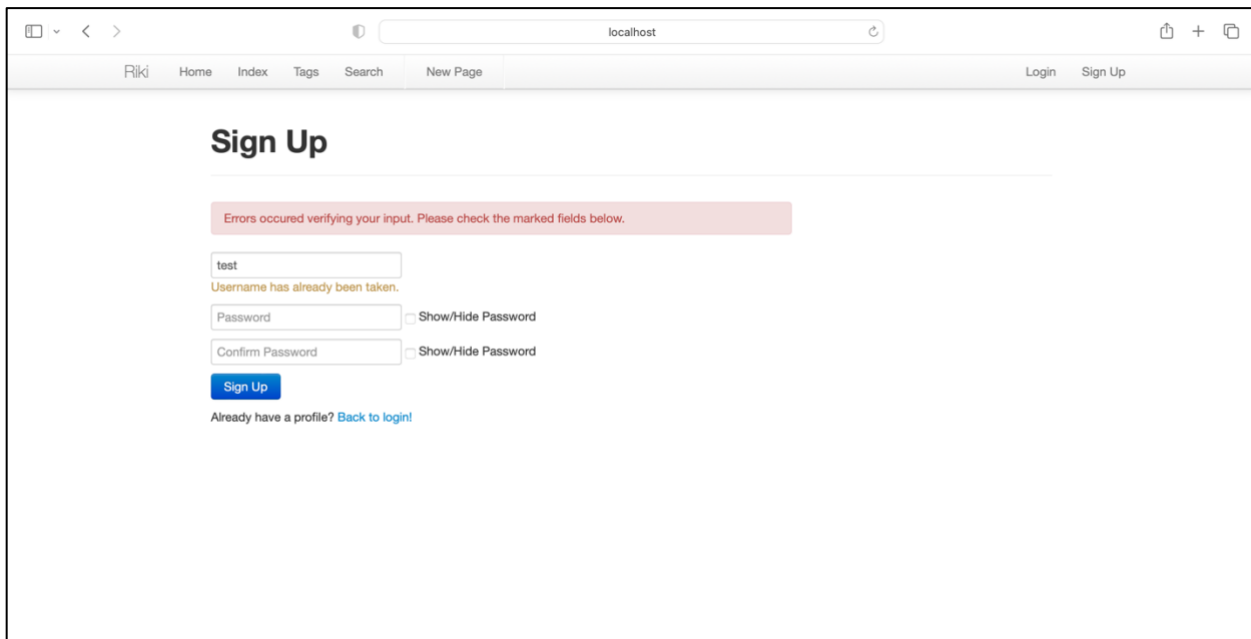

- A text input field with the placeholder text 'TestAccount'.
- A password input field filled with seven asterisks. To its right is a checkbox labeled 'Show/Hide Password' which is unchecked.
- A second password input field filled with seven asterisks. To its right is a checkbox labeled 'Show/Hide Password' which is unchecked.
- A blue 'Sign Up' button.
- A link below the button that reads 'Already have a profile? [Back to login!](#)'.

4. The Riki home screen and “Sign Up successful” message after completing the sign-up form.

5. Additional Information: There are many errors that can be presented to the user if the input does not meet guidelines or requirements.

a. If the user name is already taken in the database:

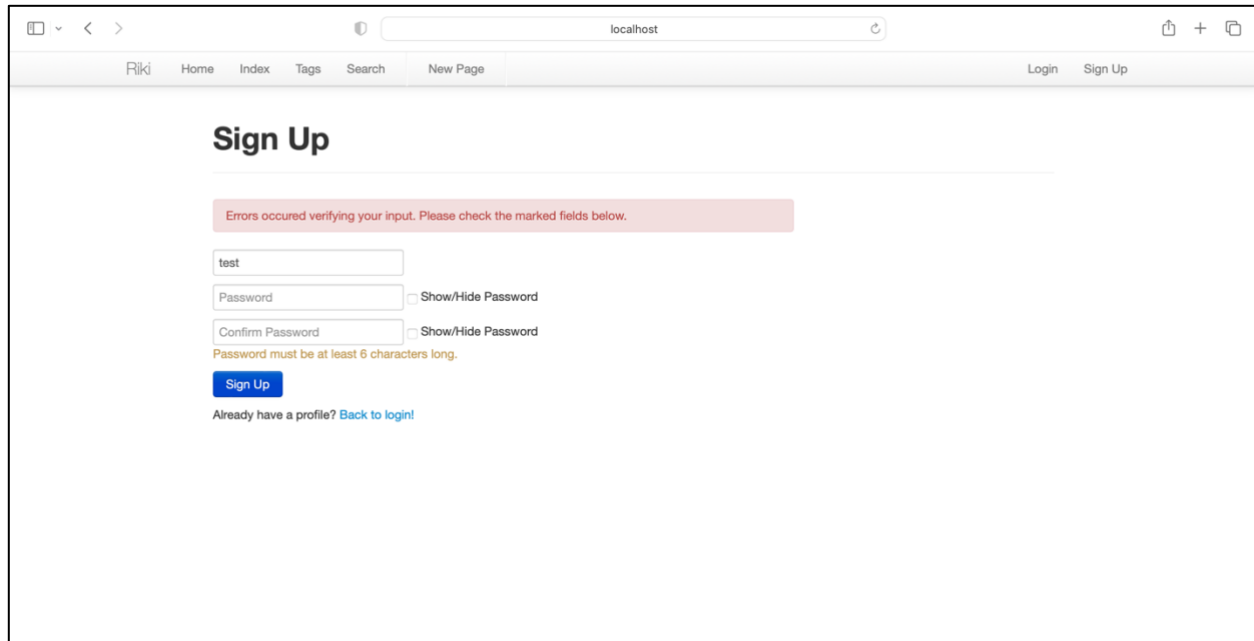

b. If the password and confirm password fields do not match:

The screenshot shows a web browser window with the address bar set to 'localhost'. The page has a navigation bar with links: Riki, Home, Index, Tags, Search, New Page, Login, and Sign Up. The main heading is 'Sign Up'. Below the heading, a red error message states: 'Errors occurred verifying your input. Please check the marked fields below.' The form contains three input fields: a text field with 'tester1', a password field, and a confirm password field. Both password fields have a 'Show/Hide Password' toggle. A red error message 'Passwords must match.' is displayed below the confirm password field. A blue 'Sign Up' button is at the bottom of the form. Below the button, it says 'Already have a profile? [Back to login!](#)'.

c. If the password does not meet the requirement of containing at least one digit:

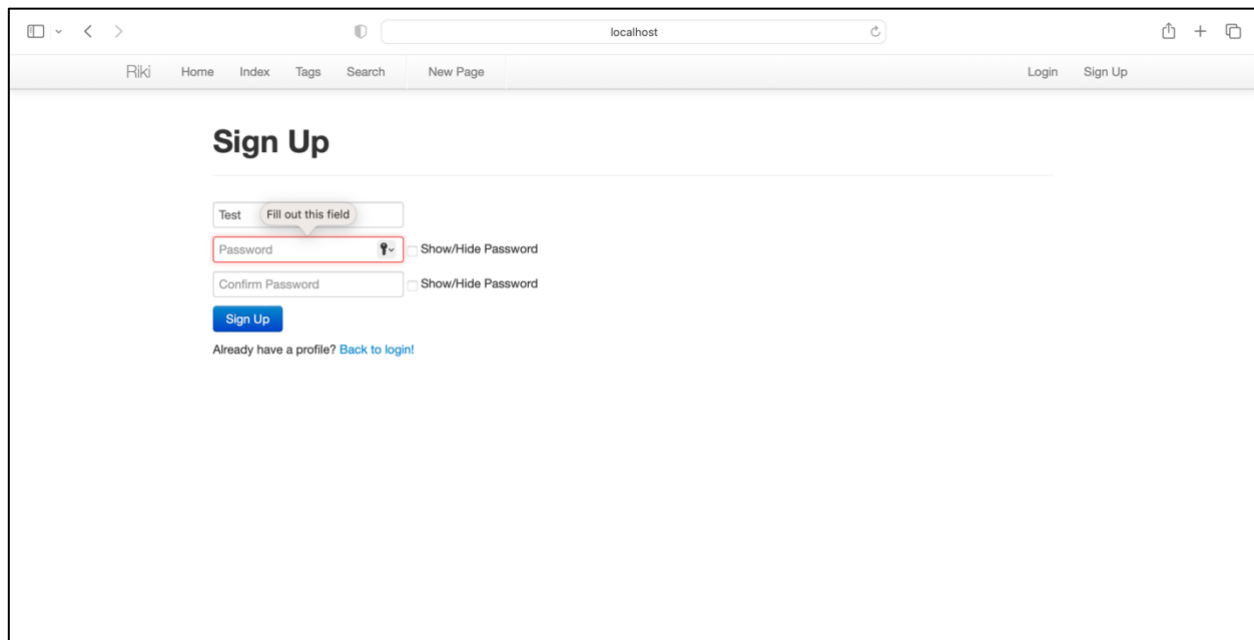

The screenshot shows a web browser window with the address bar set to 'localhost'. The page has a navigation bar with links: Riki, Home, Index, Tags, Search, New Page, Login, and Sign Up. The main heading is 'Sign Up'. Below the heading, a red error message states: 'Errors occurred verifying your input. Please check the marked fields below.' The form contains three input fields: a text field with 'test', a password field, and a confirm password field. Both password fields have a 'Show/Hide Password' toggle. A red error message 'Password must contain at least one digit.' is displayed below the confirm password field. A blue 'Sign Up' button is at the bottom of the form. Below the button, it says 'Already have a profile? [Back to login!](#)'.

- d. If the password does not meet the requirement of being at least 6 characters in length:

The screenshot shows a web browser window with the address bar set to 'localhost'. The page has a navigation bar with links: 'Riki', 'Home', 'Index', 'Tags', 'Search', 'New Page', 'Login', and 'Sign Up'. The main heading is 'Sign Up'. Below the heading, a red error message states: 'Errors occurred verifying your input. Please check the marked fields below.' The form contains three input fields: 'test' (with a red border), 'Password' (with a red border and a 'Show/Hide Password' toggle), and 'Confirm Password' (with a red border and a 'Show/Hide Password' toggle). A red error message 'Password must be at least 6 characters long.' is displayed below the 'Password' field. A blue 'Sign Up' button is at the bottom of the form, followed by the text 'Already have a profile? [Back to login!](#)'.

- e. If the user attempted to leave a required field blank:

The screenshot shows the same web browser window and 'Sign Up' form as in the previous image. The 'test' field is now empty. A tooltip with the text 'Fill out this field' is positioned over the 'Password' field, which is highlighted with a red border. The 'Confirm Password' field is also empty. The 'Sign Up' button and the 'Back to login!' link remain at the bottom of the form.
